Fall Festival & Corn Maze  
**COME & PLAY**

**Come Spend the Day!**

**Come Celebrate the 50th Anniversary of Carlyle Lake** by spending a day on the farm enjoying this year's Fall Festival and experiencing our **most unique maze yet!** Just 5 miles south of the lake, you can enjoy a Nautical Themed Celebration and play this year's REVERSE MAZE! It is quite a different experience than our past mazes. A normal maze hides its contents from the public. A reverse maze reveals it all, but leaves the puzzle of how to arrive at the desired destination! Also, enjoy brand new games, activities, crafts and more. Visit our farm store and enjoy a peaceful setting of fruit orchards, market gardens, a large variety of livestock, pastures and woodlands. We produce:

- \* *fresh fruits and vegetables*
- \* *pasture-raised eggs, meats and poultry*
- \* *raw milk, honey & more*

At our **Fall Festival** we offer you:

- \* *two corn mazes with interactive games*
- \* **pumpkins** and fall decor
- \* *hay rides and petting zoo,*
- \* *barrel train & pony rides*
- \* *large playground with giant tire mountain*
- \* **food truck** w/ antibiotic-free meats & **delicious whole foods**
- \* *covered picnic seating area w/ corn bin*
- \* **small on-farm gift shop**
- \* *fun and games for all ages*
- \* *and MUCH, MUCH MORE!*

**DON'T MISS OUT ON THE FUN!!**
